

The programme Erasmus+ gives people the opportunity to study, train, undertake work experience and volunteer abroad with the aim of boosting skills and employability, particularly amongst young people. This programme is established by the European Commission and National Agencies of Programme countries are responsible for its execution as indirect management.

Erasmus+ also supports transnational partnerships among Education, Training and Youth institutions and organizations to foster cooperation and bridge the worlds of Education and work in order to tackle the skills gaps we are facing. It also supports efforts to modernize Education, Training and Youth systems.

Below is the list of UBT's partner universities in Erasmus+ Mobility Programme:

Note: 36 new Erasmus+ KA171 (new name for what previously was known KA107) have been established for the 2022-2027 Call. These agreements have to be confirmed by Erasmus+ National Agencies before published.
