Dear precious colleagues and partners,

It is a great pleasure to invite you to the International Staff Training and Teaching Week hosted by the University for Business and Technology (UBT). The International Week will focus on HEIs Innovation and Internationalization. The main objectives of the programme include networking, transfer of knowledge and sharing of experiences and best practices among colleagues from partner and non-partner institutions. We look forward to welcoming you!

Yours faithfully,
Prof. Dr. Edmond Hajrizi

UBT INTERNATIONAL STAFF TRAINING AND TEACHING WEEK

HEIs INNOVATION AND INTERNATIONALIZATION

TOPICS

The International week programme comprises different lectures, presentations, workshops and round-table discussions on various topics which are connected to Innovation and Internationalization of Higher Education Institutions. The main objective of this event is to widen and strengthen cooperation, and to exchange know-how, good experiences and practice with staff members from our partner universities within the workshops, presentations and individual meetings. The language of communication will be English.

Feel free to share this information with anyone who might be interested in applying for it.

PARTICIPANTS

The participants of the International week can be academic and administrative staff from our partner and non-partner institutions. Participants are expected to bring into the discussion examples from their own institutions and present best practices or innovative approaches to the issues addressed.

REGISTRATION

Registration is open until **10th April 2022**. After this term, the International Week coordinators will contact the participants. Please, provide all necessary information in the application form.
